

Blessings Friend. Today is a new day so let us give thanks.

In a world where so many people are being taken off the narrow path because the world's way is much wider, shouldn't we be even more concerned just like the alarm we hear on an Amber Alert?

How do you feel when you hear an Amber Alert? Does your heart race to know that someone has gone missing? That someone is lost? The WORD tells us in Matthew 18: 12 "If a man has a hundred sheep and one of them wanders away, what will he do? Won't he leave the ninety-nine others on the hills and go out to search for the one that is lost? (13) And if he finds it, I tell you the truth, he will rejoice over it more than over the ninety-nine that didn't wander away! (14) In the same way, it is not my heavenly Father's will that even one of these little ones should perish.

God's love for you is so deep that He Will send someone to look for you. They will share His truth in your life so you will no longer be lost. If you are someone who was once that lost sheep you know the appreciation you felt from finding the right path that leads to LIFE. So do not fear when it is time to leave the 99 to look for that one lost one. Obedience is everything and Jesus loves everyone so much. He doesn't want anyone to stay LOST.

So the question is this; Have you been feeling that alarm within your own Spirit speaking to you? Have you known that something in your life is missing? Have you felt something needs to change in your life? Perhaps it's your own personal Amber Alert (God's Spirit) giving you a warning but the question is Will you LISTEN?

Have a wonderful day and always remember how dearly you are loved and that you are never alone!
