

Blessings Friend. Today is a new day so let us give thanks.

As we are watching things in our world happening around us it's hard to know what is the truth and what are lies. Most of us would just like some HONESTY, but there is one way to know the truth and that is what God's WORD says. We know that we can TRUST it because God is for us not against us.

Proverbs 12:19 Truthful words stand the test of time, but lies are soon exposed.

There is a story taken from Numbers 13 when Moses and Aaron had to send 12 men from different tribes to do some scouting in a new land. They wanted to know who lived there and what the land was like. When they returned the report was very similar from 10 of the men but only 2 had a very different report. In verse 27 we read their report. "We entered the land you sent us to explore, and it is indeed a bountiful country- a land flowing with milk and honey. Here is the kind of fruit it produces. (28) But the people living there are powerful and their towns are large and fortified. We even saw giants there, the descendant of Anak!

These ten men could only see the negative and were held by fear. However, the other two had a much different view; It was POSITIVE and HOPEFUL because they replaced fear with FAITH in GOD. This was their report; Numbers 14: 6 Two of the men who had explored the land, Joshua son of Nun and Caleb son of Jephunneh, tore their clothing. (7) they said to all the people of Israel, "The land we traveled through and explored is a wonderful land! (8) And if the Lord is pleased with us, he will bring us safely into the land and give it to us. It is a rich land flowing with milk and honey. (9) Do not rebel against the Lord, and don't be afraid of the people of the land. They are only helpless prey to us! They have no protection, but the Lord is with us! Don't be afraid of them!"

Fear tends to hold many people captive and the TRUTH is you must become your OWN SCOUT, researching and PRAYING for God to give you WISDOM and DISCERNMENT for the days we are approaching. You are in control of your choices (free will) and what will best for you and your family.

Friends, this past year has been more than challenging for all of us but if anything it truly is meant to WAKE US UP!! We know that there is FREEDOM when we know the TRUTH and PEACE always follow us when we do the RIGHT thing through OBEDIENCE.
